VICTORIA POINT STATE HIGH SCHOOL POLICY
The Assessment Policy addresses expectations, conditions and consequences for the completion and collection of assignments and exams. Students receive an Assessment Calendar and Overview of the periods work at the beginning of each semester to assist them with planning. These documents will outline the type of assessment, the due date and the required length, together with a semester outline of work to be taught. It may include weighting if this is appropriate.

BLOCK EXAM – Year 10- 12 only
Students must wear full formal school uniform when attending examinations and travelling to and from school.
Students are only required at school when examinations occur.
Students are to be present at the room of the examination 15 mins prior to the starting time.
Students will enter rooms with only the nominated materials outlined by the teacher/s in charge of the examination.
Students must follow all examination procedures.
Students will only be dismissed from the examination at the discretion of the teacher/s in charge to ensure there is minimal to no disruption for all students. Students will not be permitted to leave in the first 30 minutes of the examination or the last 10 minutes of the examination.

PLAGIARISM / CHEATING
All work must be the student's own work. In the event that the work is identified as not being the student's work, then the student will not receive credit for the assignment submitted and will be marked as "Non Submission" (the above policy applies). Decisions will be made by the Head of Department, who will also inform parents of students involved. Appeals to such decisions should be made through the Principal.

EXTERNAL MOCK EXAM – Year 12 only (QCAA Advice used to simulate External Exams)
The school advises on students to attend every mock assessment. However, the school does not expect students to attend a mock assessment against specific written medical advice. When students are in doubt about attendance to complete a mock assessment, they should contact the school external assessment (SEA) coordinator – Mrs James.

Illness during Mock Assessment
A student who is ill but able to attend the mock assessment should inform the external assessment supervisor of their illness as soon as practical. This may be before, during or immediately after the external assessment session.

Submitting an Application for Illness and Misadventure for Mock Assessment
Students must attend all components of the examination.

No alternative arrangements can be made if a student does not attend a scheduled written examination.

Applying for illness and misadventure
Applications can be submitted early for known approved circumstances. Applications require supporting documentation.

To make an informed decision about an illness and misadventure application, the school requires a report from an independent health professional that includes the following details:
- the illness, condition or event (including details of a diagnosis, where applicable)
- date of diagnosis, onset or occurrence
- symptoms, treatment or course of action related to the condition or event
- explanation of the probable effect of the illness, condition or event on the student's participation in the assessment
- for non-medical claims, written evidence from a relevant independent professional or other independent third party, such as a social worker, member of the clergy, policy officer, solicitor or funeral director.

In all circumstances, the person providing the supporting documentation must have specific knowledge of the illness, injury, personal trauma or serious intervening event, and must not have a close personal relationship with, or be related to, the student.

Currency of supporting documentation
Supporting documentation must cover the date of the assessment for which the application is made.
