WHAT'S HAPPENING

Term 2 has been a busy and rewarding time for our Year 10 students. They have shown strong commitment to their learning across all subject areas, while also getting involved in a range of extracurricular activities. It has been great to see students continuing to develop their independence, resilience, and teamwork skills as they prepare for their senior subject selections. We encourage all students to maintain consistent study habits and seek support when needed as we move into the second half of the semester.

SET PLAN - This term students will begin the Set Plan process and will engage in various activities to get students thinking about pathways, subjects and their futures.

CAREERS EXPO - Week 6 Tuesday will be our annual careers expo. There will be a wide range of vendors from different career avenues as well as subject talks across year levels.

ATHLETICS CARNIVAL - Week 10 Thursday will be our annual Viking's Athletics carnival. Be sure to keep an eye out for nominations from Mrs Wright to secure your spot in different events
