WHAT'S HAPPENING

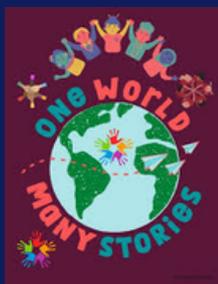

This term has been super productive for Year 10 students. Across their classes, students have been continuing to build their knowledge and skills as they move further into the term. It has been great to see students actively participating, supporting one another, and demonstrating positive attitudes in both practical and classroom learning. We look forward to seeing their continued progress as the term moves toward the assessment period.

SET PLAN - Next term students will begin the Set Plan process and will engage in various activities to get students thinking about pathways, subjects and their futures.

MULTICULTURAL WEEK - During Week 8, students will have the opportunity to embrace their culture and learn about others through a week of activities and different learning opportunities. Information can be found on Daymap.

CROSS COUNTRY - Week 10 Thursday will be our annual Viking's Cross Country carnival also followed by our amazing Colour Run. Ensure you bring a gold coin and a white t-shirt to be involved in all of the fun!
