WHAT'S HAPPENING

As we reach Week 7 of Term 3, our Year 10 students are well into their new subjects and continuing to build confidence in their learning. By this stage of the semester, students are developing a stronger understanding of their subjects, expectations, and the skills they need to be successful. It is encouraging to see students taking greater ownership of their learning by staying organised, engaging positively in class, and challenging themselves to achieve their personal best. With the semester well underway, we encourage all students to maintain their focus, make the most of every learning opportunity, and continue working towards their future goals.

OUR LEGACY

On our cohort assembly students were asked what type of people they want to be when they leave VPSHS and what they want to be known for. This week during assembly students had the opportunity to discuss the behaviours that related to these words and how they were going to demonstrate this as a cohort.

Moving forward the Year 10 students will be continuing this work as they move into Year 11 and start their Senior Schooling journey. Students will have the opportunities to work with the younger grades and do some peer mentoring to begin their leadership journeys.

SCHOOL ACHIEVEMENTS

Book Week was a wonderful celebration of reading, imagination, and the joy of books across our school community. Students and staff embraced the opportunity to celebrate their favourite characters and stories, creating a fun and vibrant atmosphere throughout the week. We were also incredibly proud of the generosity shown through our Book Week fundraiser, which raised an amazing \$253.10 for the Indigenous Literacy Foundation. This fantastic contribution will help support the Foundation's work providing culturally relevant books and literacy resources to children and communities across Australia. Thank you to everyone who contributed and helped make Book Week such a meaningful and successful celebration!
