EVERY WAY!**

TERM 4 IS HERE!

As we head into the final term of the year, our Year 7 students are showing wonderful maturity and motivation as they prepare to complete their first year of high school! This term brings many opportunities for reflection, growth, and celebration as students look back on how far they've come and take pride in their achievements.

Throughout the coming weeks, students will continue to build on the skills and knowledge they've developed while beginning to look ahead to the new challenges and opportunities that await them in Year 8. We are so proud of the progress our Year 7s have made this year and look forward to seeing them finish 2025 with confidence, enthusiasm, and a strong sense of accomplishment.

TRACK - ED PROFILES

Track Ed Profiles were sent home with students earlier this term, displaying results, behaviour, effort, and absences from the year to date. It was so good to see so many amazing reports that were really positive, with lots of improvement in results and a huge jump in effort and behaviour!

Keep it up year 7!

MENTAL HEALTH WEEK

Last term we celebrated mental health week. Each day our amazing team put on various activities for our students to embrace our school theme of "everyone belongs" and it was so great to see so many year 7 students getting involved!

WHAT'S NEXT?

Award Ceremonies:

Invitations have been sent out for our annual Sports and Academic Awards ceremonies. Please check your emails to find out whether you are receiving an award. These ceremonies will be held in Week 7 during our celebration week.

Wet 'n Wild:

Our semester celebration day will see us heading to Wet 'n' Wild. Those students who meet the criteria will be invited later this term. If you are unsure if you meet the qualifying criteria, please see Mr Malone in SR2.

VPV STUDENTS OF THE WEEK

Each week we hold a raffle for our top 15 students who have displaying our VPV focus of the week. Our weekly winners will be entered into an end of term raffle for a big prize. Our raffle winners so far are:

WEEK 2: LINK BARKER

WEEK 3: HUDSON BROWN

DEPUTY PRINCIPAL: MELISSA DODD

I can't believe that we're already nearing the end of your child's first year of high school - what a year it's been. I was so impressed with our Year 7's who helped out and took part in the Mental Health week. Also, so many of our First Nations students assisted in our Japanese Exchange Students' workshops- teaching dances, making bracelets and rock art. They showed great leadership. The VPTV crew also continue to shine with all their work with Night of Dance and Melodies and Masterpieces filming.

As we move into the final weeks of the year, students are finishing assessments and setting goals to be ready for Year 8. It's important to finish strong and make positive choices. How will they show up and ready to learn? Having a study plan and looking at where assessment dates are will help time management.

I am looking forward to celebrating all they Year 7's efforts and achievements at our upcoming end-of-year events. It's been wonderful to see how much confidence and independence our 7's have gained this year - they should be proud of themselves.
