FOCUS ON LEARNING

As we begin term two, year 8 will be focusing on their commitment to their academic studies through a focus on the VPSHS Learning Behaviours.

LEARNING BEHAVIOURS

What are you learning?

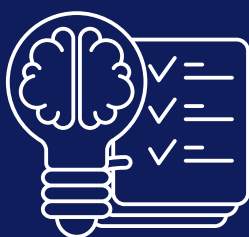

How are you doing?

How do you know?

How can you improve?

Where do you find help?

What grades do you hope to achieve in your semester 1 report?

VPSHS TUTORIALS

All students are encouraged to attend Homework Club and Tutorials. Held after school in Moongalba, students are able to access additional support to ensure they are meeting their academic goals.

SEMESTER 2

LITERACY & NUMERACY SUPPORT

In an initiative to support year 8 students to develop vital foundational literacy and numeracy skills; selected students will engage in further developmental studies across semester 2 in place of an optional semester 2 elective. Selection will be based on students' results up to semester 1 and will consider individual circumstances. This opportunity is offered to ensure all students are working at an age-appropriate skills level before they begin their middle phase of secondary education, and will give all learners the best chance of academic success ongoing.
