## PATHWAYS FOR SUCCESS

Through a dedicated weekly session, students can choose activities in academic, creative, community, or sporting pathways. This new initiative helps students connect with peers, explore their interests and grow as capable, compassionate learners.

We're proud to offer opportunities that support every child's growth. The classes cover a range of extracurricular activities including book club, tabletop war games, dance, jewellery making, crocheting, sports development, esports, and many other opportunities. It is great to see our year 8 students all getting involved!

## CROSS COUNTRY AND COLOUR RUN!

In week 10, we will have our annual Vikings Cross Country and Colour Run event!

This is a great opportunity for our students to be involved in our school culture and have fun with their friends. This year's theme is Camo for Cross Country and White for Colour Run.

We hope to see all of our year 8's involved in this awesome event!

## VPV UPDATE

Each week we hold a raffle in our year level assembly for our top 15 students who have been displaying our VPV focus of the week. Our weekly winners will be entered into an end of term raffle for a prize.

Our weekly winners for Student Of The Week to date are:

Week 4: Summer Joyce

Week 5: Henry Cramp

Week 6: Tamera Komung

Week 7: Chantelle Holden

## DEPUTY PRINCIPAL – MRS PLAUSCHIN

With Term 1 coming to a close quickly I have been proud of the hard work and effort I am seeing in our year 8 classes. Students are completing assessment with a lot of care and attention and I know there are great results coming in our Term 1 2026 reports. Keep up the hard work year 8s and smash those learning goals!
