EXPO NIGHT!

In week 5, we had our school Expo Night where students and families had the opportunity to explore future career options, and plan out the next subjects at school. There were many seminars, vendors, and performances. It was a great night, enjoyed by all who attended.

ABCN – EMERGING LEADERS

This week, our school will attend the ABCN Emerging Leaders Program with 20 year 8 students. This program allows students to connect with mentors, evaluate their own leadership skills, and enhance future outcomes. By the end of the day, students would have had opportunities to reflect on individuals they admire and begin to see themselves as potential leaders, work with their mentors to explore leadership skills, and feel more confident and prepared to take on leadership roles in the future.
