#### Welcome to Term 4!

As we head into the final term of the year, our Year 9 students are demonstrating great maturity and motivation as they prepare to finish their junior years on a high note. This term is an exciting one filled with opportunities for reflection, growth, and celebration of their achievements. Students will continue to build on the skills and knowledge developed throughout the year while also beginning to look ahead to the challenges and opportunities of senior schooling. We're proud of the progress our Year 9s have made so far and look forward to seeing them finish 2025 with confidence and enthusiasm.

## **OUR STUDENTS**

In Week 2 we celebrated Melodies and Masterpieces, which demonstrates all of the hard work our music and art classes have put in throughout the year. It was an incredible showcase and we are so proud of our Year 9 students.

### **Mental Health Week**

On the 7<sup>th</sup> October to the 10<sup>th</sup> of October we celebrated Mental Health Week. Each day our amazing team put on various activities for our students to embrace our theme of "Everyone Belongs" and it was so great to see so many Year 9 students.

### **Academic Awards**

Congratulations to all of our amazing Academic Award winners for Term 3. Students were given awards for their GPA and effort based on their Term 3 assessments. Well Done!
