READY TO JET

Year 9 students recently participated in a successful JET Prep Day, exploring future pathways and preparing for their upcoming JET interviews. Students heard from VPSHS staff about a range of industry fields, explored careers of interest, and created vision boards showcasing their future goals and aspirations.

Families are reminded to book a JET Interview with their student's Family Group teacher via SOBS. These interviews are an important opportunity to discuss future pathways and set goals for the years ahead. Congratulations to all Year 9 students for their enthusiasm and commitment throughout the day, living our Year 9 motto: Dream It. Make It. Do It. Live It.

SOBS BOOKING

DREAMING BIG & MAKING IT HAPPEN

It has been another busy and successful period for our Year 9 cohort. A group of students recently attended the Y-Lead Altitude Leadership Summit at Brisbane City Hall, where they developed their leadership skills and connected with students from across the state.

Our talented Dance Academy students proudly represented the school at the BPAC Eisteddfod, showcasing their hard work, dedication and passion for performance.

Our Junior Leaders also demonstrated outstanding community spirit by volunteering their time during Chappy Week, helping to support activities and contribute positively to our school culture.

We are also proud to celebrate the achievements of our students, with 25 Year 9s already earning more than 500 VP Points this year. This is a fantastic reflection of the cohort's commitment to our school values and their positive contribution to the VPSHS community.
