YEAR 9 REFLECT & RESET RETREAT

We are excited to launch the Year 9 Reflect & Reset Retreat, taking place at Darlington Park on 2–3 December. This overnight retreat will give students the opportunity to reflect on their junior secondary journey, strengthen friendships and prepare for the transition into senior schooling in 2027. Through team-building activities, personal reflection and shared experiences, students will be encouraged to reset, refocus and approach Year 10 with confidence.

Parents and carers who have not yet completed the Expression of Interest are encouraged to do so as soon as possible. The EOI will help us confirm student numbers and finalise retreat arrangements.

Complete your EOI via this QR code or see email from Ms Fuller.

MUSIC & MILOS

Our Year 9 students recently came together for Music & Milos, enjoying a warm Milo, great music and some quality time as a cohort. This special event was our way of thanking our Year 9s for filling our cups with joy every day. It was wonderful to see students relaxing, connecting with their peers and sharing plenty of smiles. Thank you to our incredible Year 9 students for the energy, humour and happiness they bring to our school community—you truly make our days brighter!

YEAR 9'S LEADING THE WAY

Our Year 9 students continue to make a fantastic contribution to our school community. A recent highlight has been the introduction of the Year 9 Student Newsletter, written by our junior leaders to keep their peers informed and connected. James, Tyler and Mason also demonstrated excellent leadership by speaking to the Year 7 and 8 cohorts about joining Navy Cadets.

Students continue to create wonderful lunchtime memories in the Year 9 precinct, enjoying activities they organise and run as a student body—even battling Mrs James at ping pong! Across the term, Year 9 has continued to lead the school, earning an incredible 23,019 VP Values points. We are extremely proud of their initiative, confidence and positive example.
