With a Creative Cloud plan, you can:

- Instantly access your apps and receive updates on new versions
- Work, save, and access your files anytime, anywhere with Cloud services
- Create wherever inspiration strikes with connected desktop and mobile apps
- Share exceptional content for any screen, in any format
- Collaborate more effectively and maintain version control
- Access hundreds of online tutorials to make the most of your experience

If you have questions about installing the apps on your desktop or mobile device, email your administrator.

3. In the window that opens, create a password for your Adobe ID. This password is not linked to your school login and will not expire.

The screenshot shows the Adobe Enterprise ID 'Complete your account' page. At the top left is the Adobe logo and 'Enterprise ID'. The main heading is 'Complete your account'. Below this, there are two tabs: 'Victoria Point' and 'SHS'. A text input field contains the email address 'djone277@eq.edu.au'. Below the email field, there is a password requirement notice: 'Your new password must have at least 8 characters (mix of lower/uppercase) and include a number and a symbol. It cannot match your username or your previous 5 passwords.' A password input field is labeled 'Password'. Below the password field is a dropdown menu currently set to 'Australia'. At the bottom of the form is a blue button labeled 'Complete your account'.

4. Once you have entered a password, click *“Complete your account”*
5. Adobe will redirect you to the Creative Cloud website, you do not need to do anything at this point, just close your browser. Your account has been created.
