Student Resource Scheme

Annual Parent Information Letter

Dear Parents/Guardians,

This letter contains important information about the **Student Resource Scheme (SRS)** including how the scheme operates and the annual participation fee.

The Queensland Government supports students' education by providing funding for:

- Instruction, e.g. teachers
- Facilities, e.g. buildings, amenities, furniture
- Administration, e.g. staffing and resources to administer the operations of the school.

Funding does not extend to individual student resources such as textbooks, computer or musical equipment for personal use, and many items used/consumed by the student in the classroom. Supply of these items is the responsibility of parents.

To provide parents with a cost effective alternative to purchasing textbooks and/or resources elsewhere, Victoria Point State High School operates an SRS.

The scheme ensures that students have the resources required for them to engage with the curriculum for their education, and saves parents time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and hiring arrangements. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme.

The scheme's operation, resource inclusions and participation fees were approved by the school's P&C Association.

SRS Participation

The objective of the scheme is to provide a convenient and cost-effective way for students to access the educational resources necessary to enhance their learning experience at school. The Department encourages parents to participate in the scheme. Participation in the SRS is optional, and no obligation is placed on a parent to participate. Participation is for the duration of your child's enrolment at the school.

Student is new to the school -

Parents are required to complete and return the SRS Participation Agreement Form when joining the scheme for the first time. If no participation form is received, the school will take the view that the parent has chosen to opt out of the SRS. The parent is then required to provide the educational resources listed in the SRS for their child by the start of the school year. In addition, Victoria Point State High School will issue an invoice based on resources/consumables used by students for each subject chosen. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

Continuing student of the school -

A parent's participation or non-participation in the scheme will continue as per their previously completed Participation Agreement Form. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

If a parent has opted out of the scheme the parent is required to provide the educational resources listed in the SRS for their child by the start of the school year. In addition, Victoria Point State High School will issue an invoice based on resources/consumables used by students for each subject chosen.

Resource Inclusions

Resources included in the SRS are detailed in the attached [SRS Resource list](#). This list is also available on the school's website. This is a comprehensive list of all resources included in the scheme and their associated costs.

If parents ascertain that their student has not received an expected resource, please contact the school for clarification and/or follow up.

Type of Resources provided

Generally, the three types of resources that could be included are:

- **Owned** – these items are retained by the student and used as required (e.g. school produced reprographics, student ID card, access to on-line student planner).
- **Used** – these items are used/consumed in class by the student (e.g. industry technology/cooking/art supplies).
 - work/items produced from these resources will remain the property of the student.
- **Hired** – these items are hired to the student for their personal use for a specific period of time (e.g. textbooks, musical instruments).
 - Hired items must be returned to the school in good condition at the end of the hire period or if the student leaves the school.
 - A repair or replacement cost will be charged to the parent for any hired items that are damaged or not returned.

Costing Methodology

The schools SRS fee is calculated based on:

1. A flat fee for all students in the school, OR
2. A flat fee for a cohort group of students (e.g. a year level), OR
3. A fee determined by the subjects selected by the individual student.

Please refer to the [SRS Resource list](#) for the associated costings. *Note: students may not study every subject listed.

The Textbook and Resource Allowance

The Department of Education provides a Textbook and Resource Allowance (TRA) to assist parents with the cost of textbooks and other education resources for eligible Years 7 to 12 students. For those students who are eligible to receive the TRA, the TRA will be applied to reduce the cost of participation in the SRS. Information on the TRA can be found on the department's website (<https://education.qld.gov.au/about-us/budgets-funding-grants/grants/parents-and-students/textbook-resource-allowance>).

The TRA rates change on an annual basis.

The SRS Participation Fee

The SRS fee payable for the year is available in the attached information and published on the schools website.

This also includes the TRA component which has been deducted to reduce the SRS fee payable.

* If the cost of the SRS is equal to the TRA rate, no SRS Fee is payable.

Non Participants

To obtain a copy parents/carers can contact the school office or download the Year Level non-participants resource requirements.

Financial Hardship

Parents experiencing financial hardship who are currently participating or wish to participate in the SRS should contact the school to discuss available options in confidence.

Payment Arrangement

Several payment options including a single payment for the full year's fee or term instalments are available. An alternative payment arrangement can also be negotiated with the school and set up through the BPoint payment system.

Any unpaid invoices, will be managed according to the Department's Debt Management Procedure and may result in the student being excluded from the scheme and/or from participating in non-curricular activities until payment is made (<http://ppr.det.qld.gov.au/corp/finance/accounts/Procedure%20Attachments/debt-management/debt-management.pdf>).

SRS payments can be made by BPOINT, BPAY, EFTPOS (Credit/Debit Card), Cash, Centrepay.
