

# Victoria Point State High School Scholarships

Victoria Point State High School offers Scholarships for entry to the VPSHS Academies:

- Academic
- Dance Creative Industries
- Robotics STEM Technologies
- VPtv Media Creative Industries

The criteria for awarding scholarships are:

- demonstrated performance, and
- aptitude and potential to excel in their chosen field.

## Academic Academy

A proven record of high performance that demonstrates proficiency in or across academic fields of the curriculum such as Mathematics and/or Science, English and/or Foreign Languages, the Arts or excellence across the curriculum spectrum. Students in this program are likely to be high performing and ultimately university bound.

## Application and Procedure

1. Submission, via invitation or application, of the completed Scholarship Application Form, academic transcript, resume.

## Progress

Scholarship recipients have their progress reviewed at the end of each term. Both Interim and Semester Report Cards and Parent/Teacher interviews inform this process.

As well as academic performance, high standards of personal conduct are required.

For further details regarding scholarships please consult the relevant Academy Head of Department or contact the school office on 3820 5888 or email [admin@vpshe.eq.edu.au](mailto:admin@vpshe.eq.edu.au)

## Scholarship Value

VPSHS Academic Academy Scholarship Value: \$400 per successful student.

VPSHS Dance Creative Industries, Robotics STEM Technologies, and VPtv Media Creative Industries - Scholarship Value: \$200 per successful student.

Scholarships will be awarded to VPSHS Academy enrolments based on merit of application and available vacancy.

The Scholarship value will be held by the school. Parents can access the Scholarship value for the following:

- School Resource Scheme – Participation at no cost to cover fees.
- Subject Levies – that apply to specialist areas of common program, considering the scope of areas of the Academy.
- Subject Competition/s costs – including Mathematics and Science competitions, Eisteddfods.
- Excursions – curriculum based as requested.
- Additional Information and Communication Technology costs associated with their specialised studies – including procurement of an approved ICT device such as a Tablet, Laptop or other device as determined by the school.

Once the Scholarship award is made, the school Business Services Manager will be the contact person for payments and support.

### Student & Parent Undertaking

We undertake that all the information provided to Victoria Point State High School is full and correct in its detail. We further understand that continuation of the Scholarship once awarded is dependent upon scheduled academic reviews and the student must maintain a high standard of engagement and behaviour. Any breach of the Victoria Point State High School "Responsible Behaviour Plan for Students" may result in the cancellation of the Scholarship.
